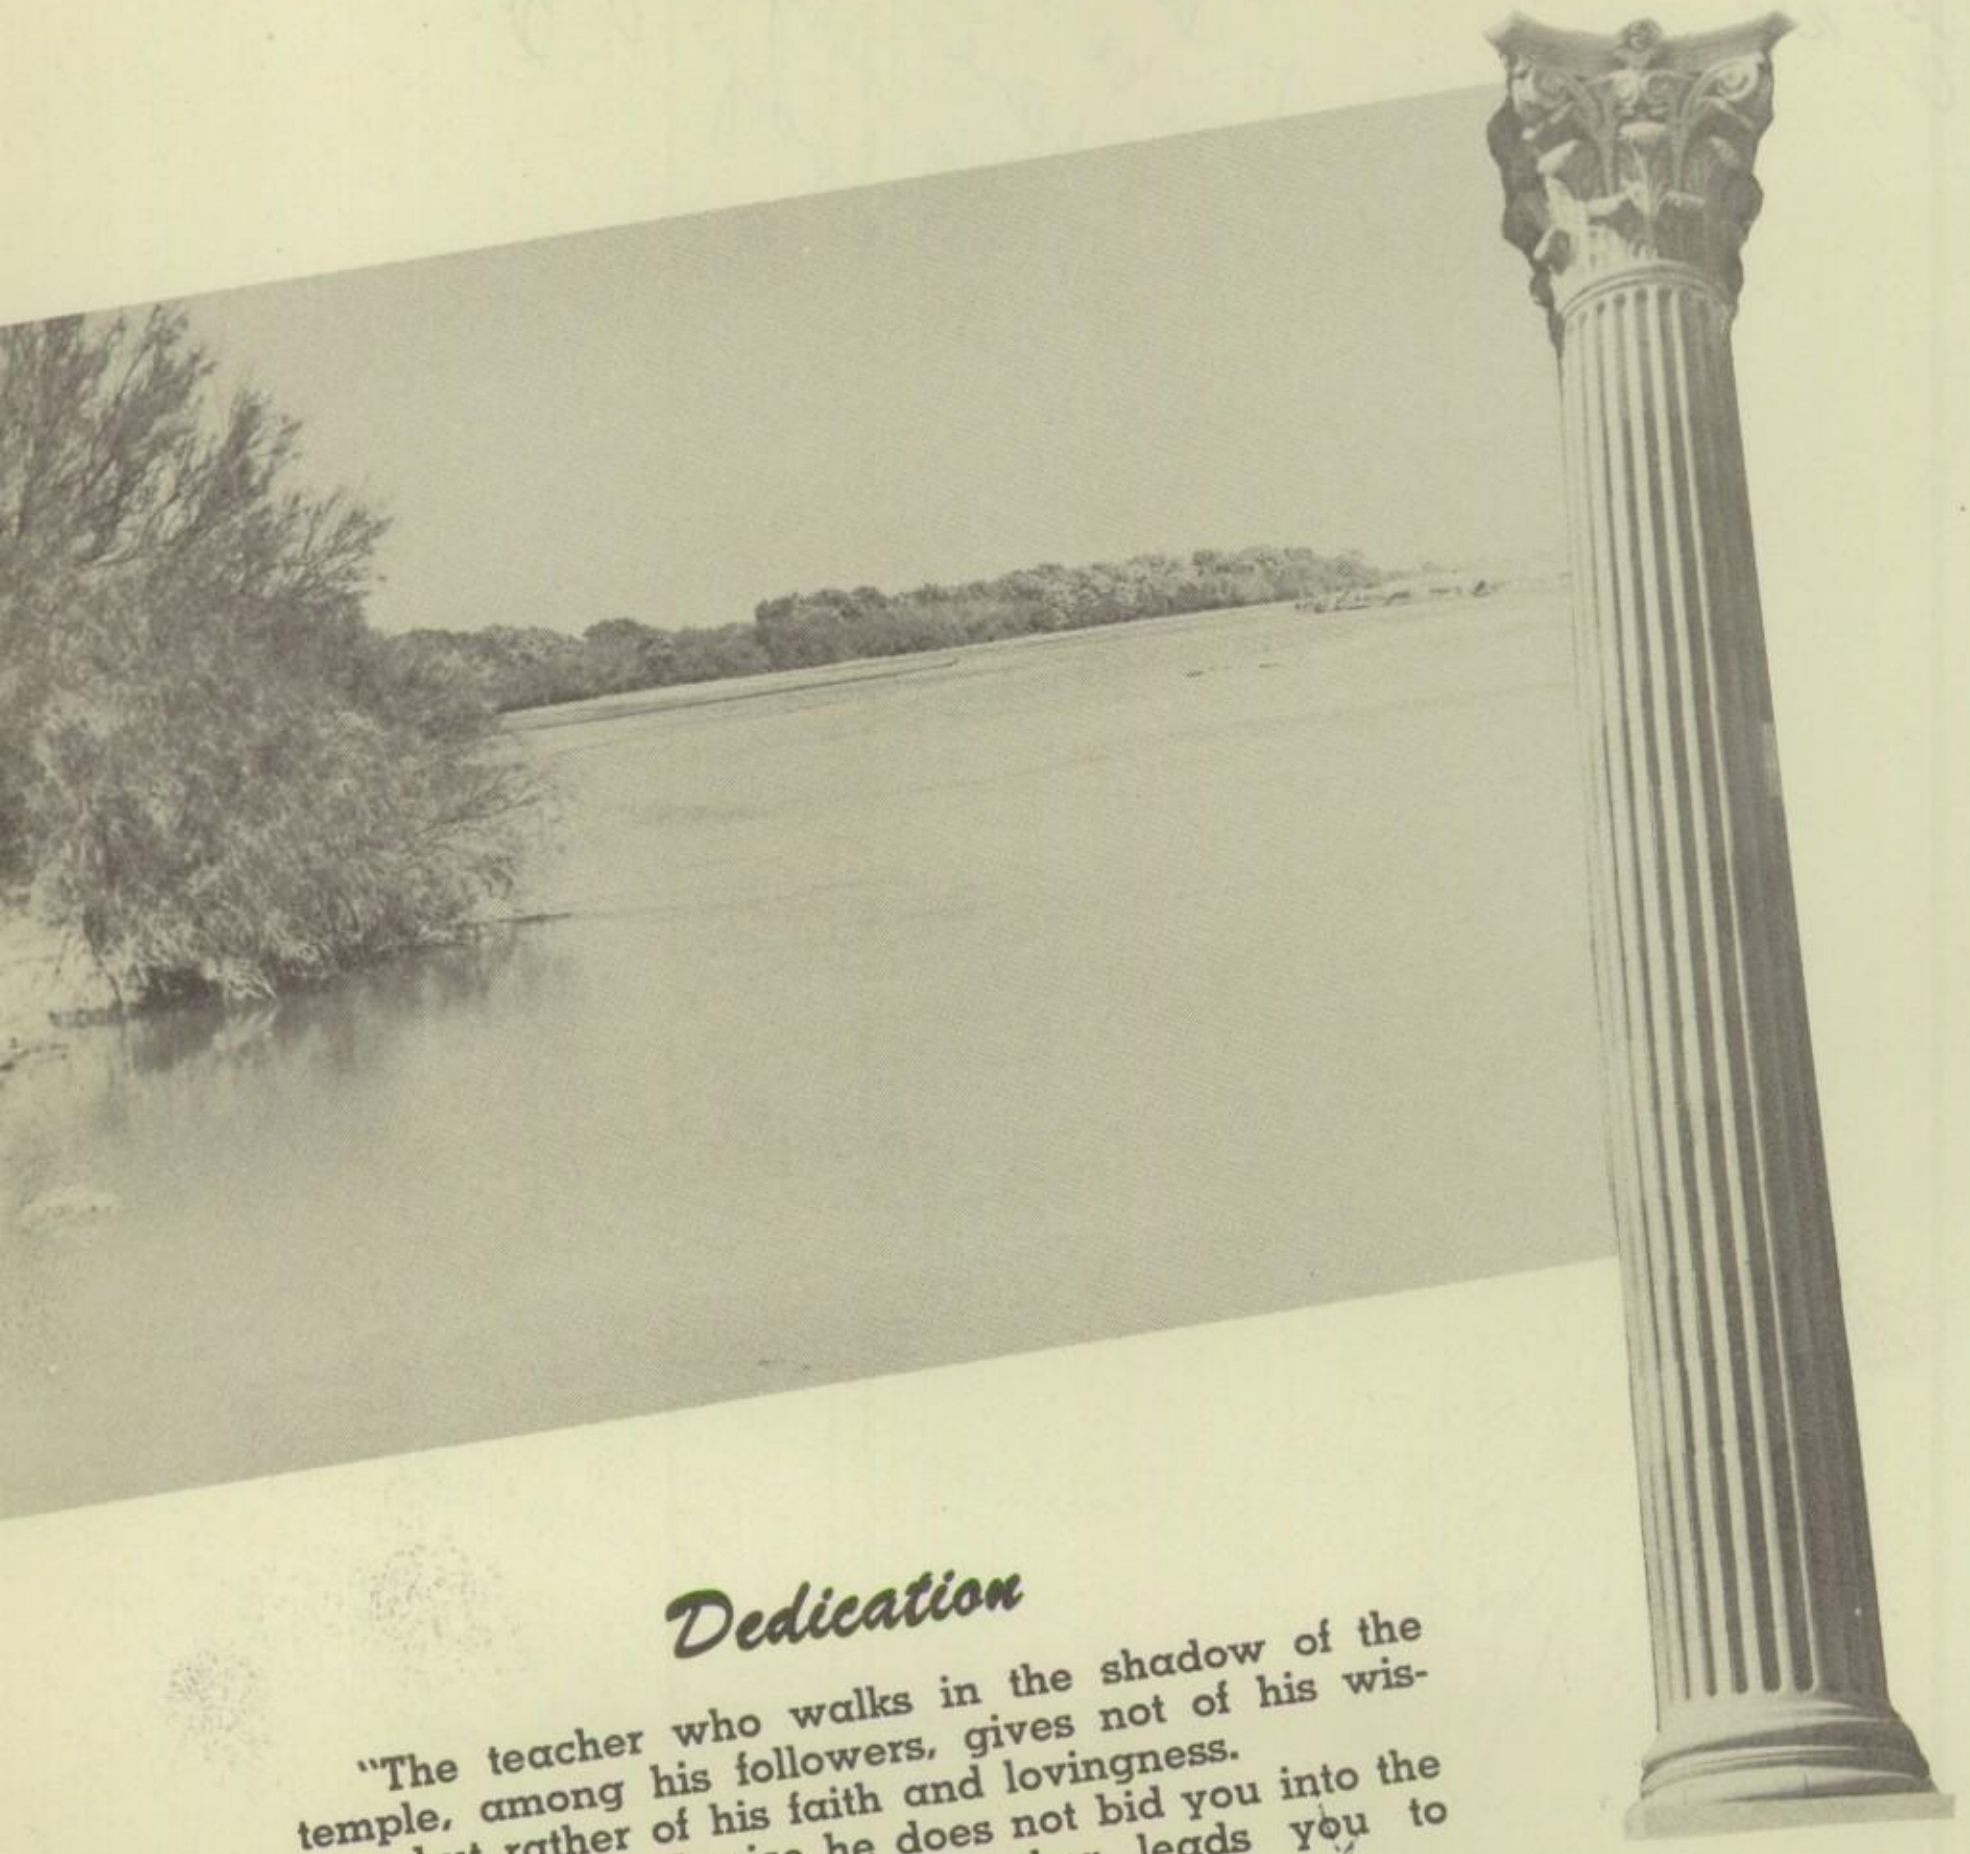
Foreword

"Time is a sort of river of passing events, and strong is its current; no sooner is a thing brought to sight than it is swept by and another takes its place, and this too will be swept away".

MARCUS AURELIUS

The Spur Staff has sought to catch a few passing events and place them in this book, secure from the ravages of time.



Dedication

"The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and lovingness.
If he is indeed wise he does not bid you into the house of his wisdom, but rather leads you to the threshold of your own mind."

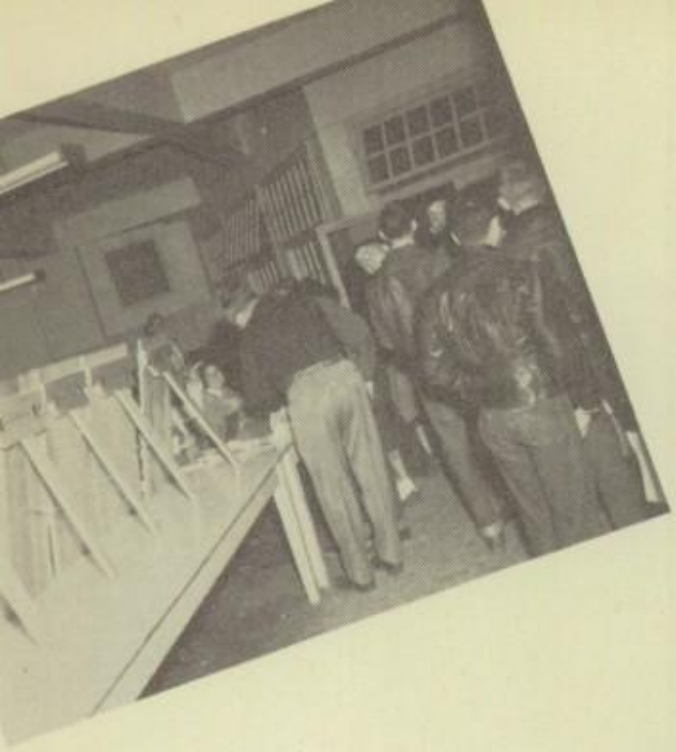
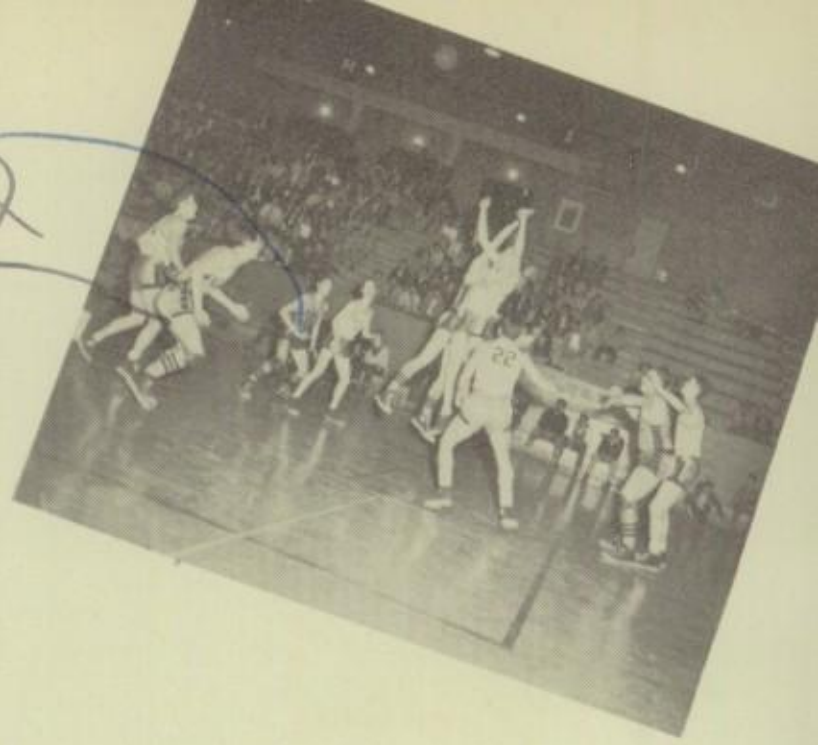
MISS VERNON HILL





THE SCHOOL YEAR

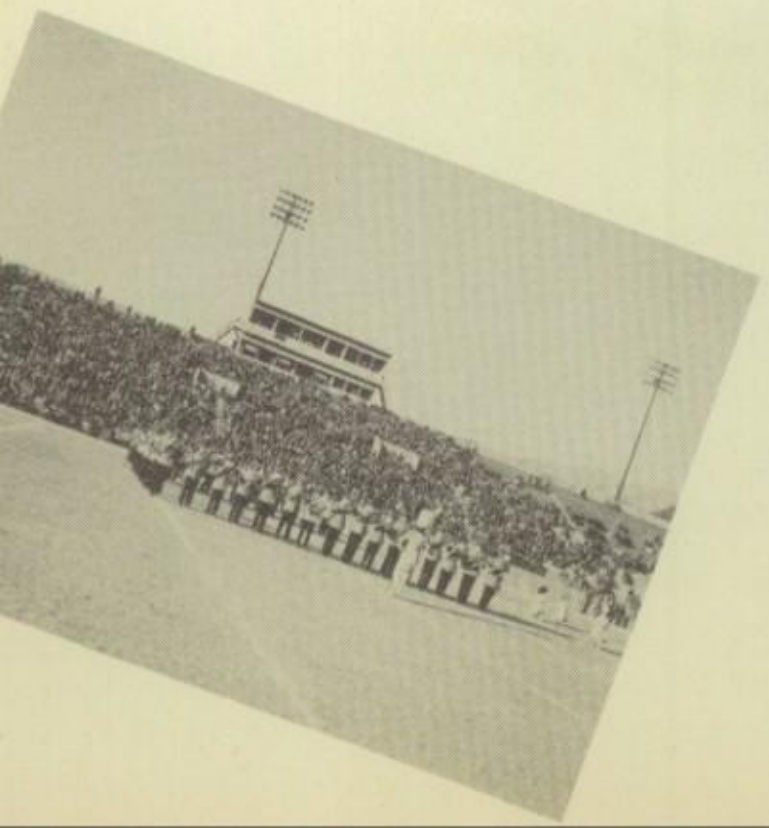
It started with enthusiasm, and the pace was kept into the fall and through the spring.

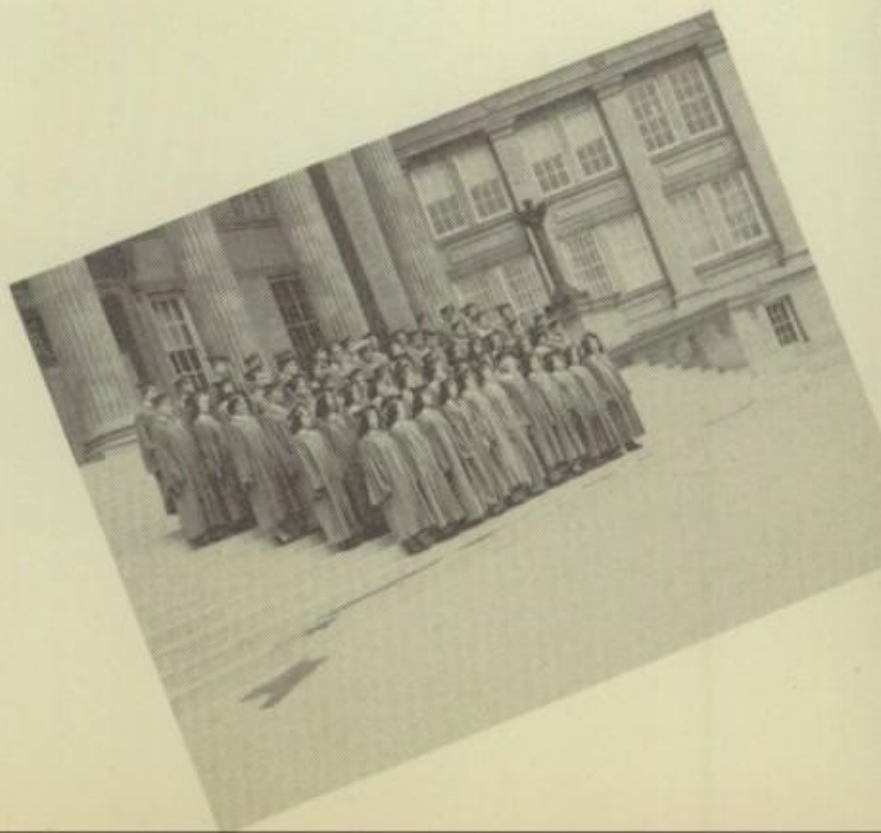
The usual things such as clubs, studies, lunch table talk and assemblies occupied the major portion of our time. But beginning with football season new events took their place.

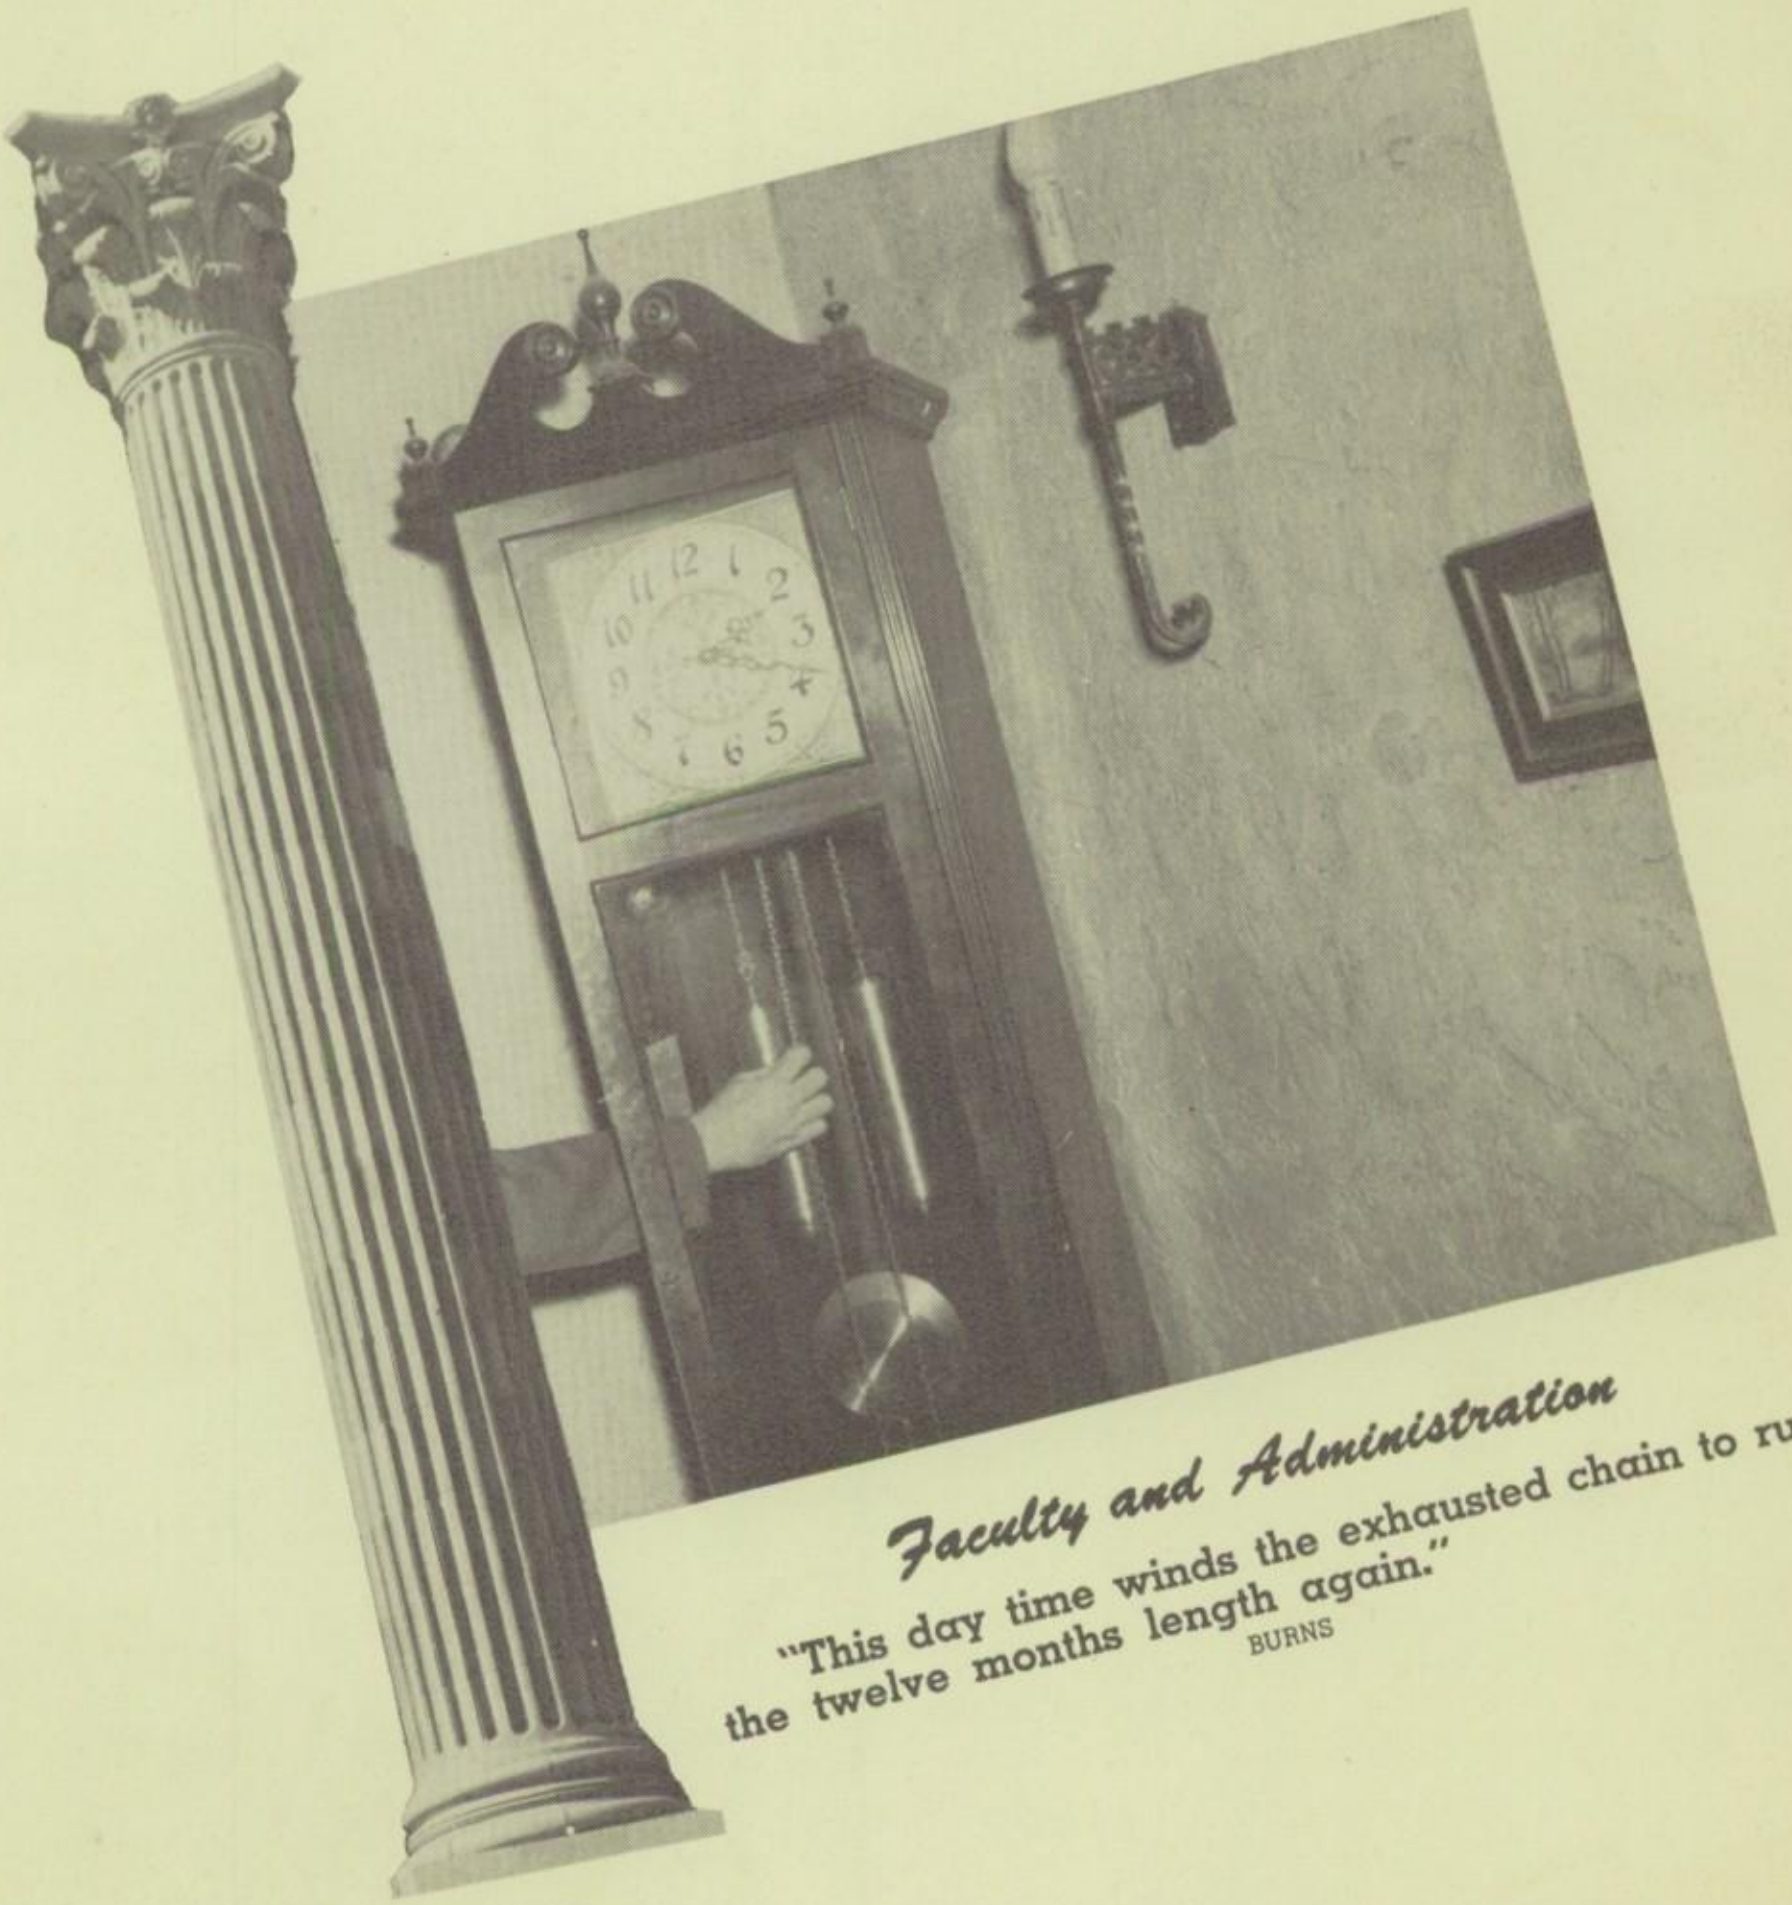
Before the district games bonfire pep rallies were held on Davis Field. The lighting of the "E" accompanied the games. With the sendoff the team received at the station before the game with Oklahoma City, school spirit reached a maximum.

In the spring the senior play lived up to its good reputation. During this semester a renewed interest was shown in track, baseball, and tennis. The music department contributed something new in the way of an operetta, "The Bells of Beaujolais". But the real highlight was the P. T. A.'s first annual Spring Festival. A queen and court reigned over the occasion.

E. P. H. S. keeps moving. The class of '49 leaves and the class of '54 prepares to enter. Though we can't stop the years, may this Spur keep the events of '48-'49 fresh in your memory.







Faculty and Administration

"This day time winds the exhausted chain to run
the twelve months length again."

Dear Rosemary,
I'll never forget
the fun we had at Whittier
school together. We haven't been much of each other in high school, but I'll always remember you. Now that we are nearly out of high school and happiness come true. Remember,
I wish you much love and
all your dreams

Dear Rosemary:
It gives me a great
